Ms. Pan Har Ying
APTRA Treasurer

JT International Singapore
Corporate Affairs & Communications Manager

Personal Statement

I am currently a treasurer and board member of APTRA. Supporting the advocacy pillar, I have been actively involved in advocacy and strategy planning work with APTRA for the past two years to mitigate regulatory threats and safeguard the travel retail industry during unprecedented times.

With my vast experiences in government and public affairs in Asia, I am passionate about making a difference to the association, driving it forward through sharing global experiences and network and applying my learnings from the tobacco sector to advocate for the protection of the entire travel retail and duty-free industry.
