

BOARD ELECTION CANDIDATE'S PROFILE

Mr. Richard Henry Goodman

**Australian Duty-Free Association
Chair Person**

Personal Statement

As Chair Person of the Australian Duty-Free Association ("ADFA") and Managing Director of Heinemann Australia Pty. Ltd. I believe I am uniquely placed to provide APTRA with a unique and valued perspective into the Oceania Region.

In my ADFA role, I have led initiatives to de-regulate the Australian Duty-Free industry and establish a collaborative forum for its members to improve not only the environment we operate under but a uniform voice for change. As a strong networker, I believe I can add value across the APAC ecosystem for our business partners from vendors, airports and retailers alike.
