

BOARD ELECTION CANDIDATE'S PROFILE

Mr. Sunil Tuli
APTRA President

King Power Group Hong Kong
Group CEO

Personal Statement

I am a founding member of the APTRA board. I was elected as its second President, a position I held for six years (3 terms), and then stepped down but remained on the Board as I continue to be committed to the association and its cause. In April 2020, the then President left the industry and thus the association as well, and I was elected interim President again to serve till this upcoming election. During my term since April 2020, some of my achievements have been:

- Regularising the criteria for board positions in line with the constitution.
- Getting APTRA to participate in the Moodie Davitt Virtual Expo and also to organise the APTRA exchange.
- Increasing the membership base by bringing in F&B and Agents/Distributors through a vote in the AGM
- Initiating the letter to 45 Governments asking for considering the opening of borders within the guidelines of the health authorities
- Forming the Alcohol working group and the several initiatives it has taken.
- Organizing the APAC Dialogue.

I believe the work of the association continues, and there is much more to be done. The Covid situation has brought about more issues to deal with. I would like to put my name forward for re-election to the Board and for the position of President for another term, as I believe I can contribute significantly to the work being done by the association.
